

Wivenhoe Tennis Club

Playing arrangements

The club has a range of matches throughout both summer and winter seasons, mainly because we have the advantage of floodlights on all courts.

In the summer we run five teams in the Colchester and District Tennis League (two Men's, one Ladies, and two Mixed) and two teams in the Colchester and District Friendly Tennis League. We also run a team in the senior Essex AEGON Men's competition.

In the winter we run a number of Men's and Mixed teams in the "Wivenhoe Winter League" although several clubs play on our courts because we have all weather courts and lights.

In general terms the weekly pattern of play is as follows

Monday evenings	Match nights from 6.30
Tuesday evening	Club night and social tennis from 6.30
Wednesday evenings	Matches from 6.30/7.00
Thursday evenings	Club social tennis from 5.00-7.00 Team practice from 7.00
Friday mornings	Social tennis from 9.30 am

There are also singles "box leagues" and Members can arrange to play these matches at any other times, frequently over weekends.
